

# GoldConnect and SONDA Announce Commercial Partnership in USA

Network Provider and IT Service Integrator Accelerate Growth in  
The Americas with Unique Partnership.

**Miami, FL., April 29, 2021 -- GoldConnect**, a leading wholesale telecommunications provider in Latin America and the Caribbean, announce a strategic partnership with SONDA, a Latin America-based leading IT service provider with over 45 years of experience providing an integral supply of IT services and solutions.

“This distinctive partnership with SONDA represents an important move for GoldConnect to further expand our IT capabilities with complex IT solutions for our LATAM clients. SONDA’s extensive experience with their leading data center network and ability to structure mission-critical IT solutions affords GoldConnect a new set of tools to enhance our connectivity portfolio,” says Justo Valladares, CEO of GoldConnect.

Under the terms of the agreement, GoldConnect will use SONDA’s Data Center network throughout the LATAM region and SONDA will count on GoldConnect’s state-of-the-art network infrastructure to support their international connectivity requirements.

“The partnership with GoldConnect is important for Sonda, given our strategy of expanding services in Latin America. We recently added our fifth regional data center named “KUDOS”, with Tier IV Certification. Together, GoldConnect and SONDA will offer integral solutions that provide competitive advantages for companies with global operations,” says Raúl Sapunar, Managing Director of SONDA Chile.
